INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants herein make available to the Patent and Trademark Office (PTO) a copy of a form which conforms with PTO-FB-A820, which lists one or more reference thereon.

The English translations of Japanese Patent Applications 57-176907 and 2-15027, references which have been previously submitted, are attached. The references were submitted with a Continuation Filing filed January 26, 2001.

It is requested the Examiner carefully consider the entire text of each reference pursuant to his/her examination of this application, in accord with 37 CFR 1.104(a). It is believed the Examiner will concur with Applicants' belief that the subject matter presently claimed is neither anticipated nor rendered obvious by the foregoing reference(s).

It is requested that the reference(s) listed on the attached form PTO-FB-A820 be included in the "References Cited" portion of any patent issuing on this application (M.P.E.P. 1302.12).

No fee is thought to be due for this submission. If, however, the Commissioner determines that any fee is due (including any fee for extension, for which petition is hereby made), please charge it to Deposit Account No. 16-1445. The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to deposit Account No. 16-1445. Two copies of this sheet are enclosed.

Respectfully submitted,
